

Brentwood Planning Board
Minutes – Site Walk – August 10, 2010

Members Present: Bruce Stevens, Chairman
 Alison Lambert

 John Kennedy, Vice- Chair
 Rob Wofchuck, alternate

Site Walk for M & T Holdings

Members met with Bob Zickell of M & T and Mike Sievert of MJS Engineering. The purpose of the site walk was to review any concerns regarding the outside area, as well as view the areas of the proposed condominium. Zickell showed the new drainage swale that was put in the front and to the side, as was previously requested by the Board.

Zickell was reminded that the shingles are to be stored under cover. The PB asked that plans show existing conditions, how the trailers and equipment on site will be stored (location), and to show access way to the hydrants. Stevens told Zickell that the site has to conform to their previously approved plan, and the “mess” be cleaned up before the Board will give any approvals to the new application.

The walk concluded at 6:35.

Respectfully Submitted,

Kathy St. Hilaire
Administrative Assistant,
