Non-Emergency-(603) 642-8132 Fax-(603) 642-7187

FIRE ALARM APPLICATION

Application is hereby made for the installation of a Fire Alarm system or alteration of an automatic fire detection system. The Brentwood Fire Department requires certain information prior to the installation. Plans and installation shall conform to NFPA 1, NFPA 70, NFPA 72 (editions as adopted by NH Fire Code SAF-C-6000) IMSA standards and local ordinances.

INFORMATION NEEDED:

This application shall be filled out completely and returned to the Brentwood Fire Department, Fire Prevention Division.

For new systems: submit two (2) sets of COMPLETE plans. For modification or replacement equipment, one set may be submitted. "Complete" means that the plans and applications shall be accompanied by a letter from the designer that plans meet all requirements of state code and local ordinances. The plans submitted shall include all information regarding the system or system alteration work including specification sheets for devices, wiring diagrams/riser diagrams, floor plans (including location of devices), annunciator layout and compatibility of devices.

Approved plans must be on file with the Brentwood Fire Department and a permit issued BEFORE installation work begins. Failure to obtain a permit before installation begins may lead to fines.

New plans that have been reviewed and approved by the Prevention Division will be stamped and a copy of the approved plans will be returned to the installer. The Division shall be notified and review any deviations from the approved plan before final testing.

Prior to acceptance tests by the Brentwood Fire Department, a signed Record of Completion shall be submitted to the Inspector.

All inspections require a minimum of 3 days advance notice by the Installer. A Fire Official shall witness any operational and final tests as required. The Official shall not perform the test. The installer shall provide adequate manpower and equipment for such tests.

Permit fee is \$70.00 per structure (new systems) or \$35.00 on alterations of more than 6 devices, and application only for less than 6 devices made payable to the "Town of Brentwood, NH."

THIS IS AN APPLICATION ONLY, NOT A PERMIT
