Article 15 Carbon Pricing Legislation - Petition WA

We the town of Brentwood hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most cost effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety.

We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to our town's State Legislators, to the Governor of New Hampshire, to our town's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by our town's Select Board, within 30 days of this vote.

Article 16 Brentwood Newsletter - Petition WA

To see if the Town of Brentwood will vote that the entity designated by the Selectmen to produce the Brentwood Newsletter (the Editor) shall adhere to the following standards for the publication based on the receipt of public support from the town, including funds for production and mailing, use of the town name and seal, and posting on the town website:

- Content, other than announcements and public notices, contributed to the Brentwood Newsletter (BNL) from individuals or organizations not on the BNL editorial staff, shall be clearly attributed to the submitting entity.
- Contributed material intended to express an opinion or point of view shall be in the form of a letter or narrative statement, clearly attributed to the individual, group, or organization expressing that view, and limited to 500 words or less.
- Narrative or opinion developed by the editorial staff of the BNL shall be attributed either to an individual Editor or identified as an Editorial.
- Contributed content that contains copyrighted material without attribution, or contains offensive content and/or personal attacks shall be rejected.
- Brentwood residents or organizations submitting material which is rejected for publication shall receive a response from the Editor, prior to publication, stating the reason for the material being rejected.
- Any errors, or content that unintentionally violates these standards in published issues of the BNL, shall be prominently acknowledged and, where possible, corrected by the editorial staff in the subsequent BNL publication following notification to the Editor.

In addition, the town funds for the Newsletter shall be distributed in quarterly increments, based on receipt, by the Selectmen, of a written quarterly report by the Editor, detailing:

- A summary of the total funds received and expended related to the Newsletters for the prior quarter
- The number of newsletters printed and mailed monthly
- Copies of any material rejected for publication, or communications regarding errors/violations which are disputed by the Editor, noting the date and reason for the rejection that was communicated to the submitter
